Over the last 40 years, The Disabilities Trust and BIRT have changed the lives of countless people – and the name leaves a legacy we are all proud of. As we enter a new phase, where we are focussing our expertise on supporting people with acquired brain injury and other neurological conditions, it is time for a new name and identity that is fit for the future – Brainkind.

For help, advice, and information or to share your story

Healthwatch is your health and social care champion.

If you use GPs and hospitals, dentists, pharmacies, care homes or other support services, we want to hear about your experiences. We have the power to make sure NHS leaders and other decision makers listen to your feedback and improve standards of care. We also help people to find reliable and trustworthy information and advice

Last year, we helped nearly a million people like you to have your say and get the support you need.

If you are setting up or would like to share news of a similar project we would be interested to hear from you. Please contact Cheryl Berry, Community Partnership Lead: cheryl.berry@healthwatchwestsussex.co.uk
