For help, advice, and information or to share your story

Healthwatch is your health and social care champion.

If you use GPs and hospitals, dentists, pharmacies, care homes or other support services, we want to hear about your experiences. We have the power to make sure NHS leaders and other decision makers listen to your feedback and improve standards of care. We also help people to find reliable and trustworthy information and advice

Last year, we helped nearly a million people like you to have your say and get the support you need.

If you are setting up or would like to share news of a similar project we would be interested to hear from you. Please contact Cheryl Berry, Community Partnership Lead: cheryl.berry@healthwatchwestsussex.co.uk
