

Supporting and working with community groups and clubs to promote a deeper understanding of local health and care needs and experiences

## Spotlight on Tapestry Day Club

Tapestry Day Club have clubs running across Horsham District and in other areas of West Sussex. The clubs are for small groups of older people who are lonely or socially isolated due to the pandemic and/or are living with early-stage dementia.

The small groups get together in the safety and comfort of a fully vetted and trained host's home.

The day includes private transport, all refreshments, a home cooked two course lunch and fun (optional) activities in the afternoon. Tapestry Day Club is working with Age UK and West Sussex County Council who are generously providing funding, so they offer the 5-hour day at £40 including transport (for those who live in the Horsham District Council area or £60 for residents living in other areas of West Sussex).

If you - or someone you know - might be interested in joining Tapestry Day Club, please email: [support@tapestrydayclub.co.uk](mailto:support@tapestrydayclub.co.uk) for more information.

You can also check out their website: [www.tapestrydayclub.co.uk](http://www.tapestrydayclub.co.uk)

If you are setting up or would like to share news of a similar project we would be interested to hear from you. Please contact Cheryl Berry, Community Partnership Lead, email: [cheryl.berry@healthwatchwestsussex.co.uk](mailto:cheryl.berry@healthwatchwestsussex.co.uk)

## For help, advice, and information or to share your story

**About Healthwatch:** We are the independent champion for people who use health and social care services. We're here to find out what matters to people and help make sure their views shape the support they need.

**How we work:** There is a local Healthwatch in every area of England. Healthwatch West Sussex works to find out what people like about services and what could be improved. We share these views with those with the power to make change happen. Healthwatch also helps people find the information they need about services in their area.

Here to help you on the next step of your health and social care journey

Nationally and locally, we have the power to make sure that those in charge of health and social care services hear people's voices. As well as seeking the public's views ourselves, we also encourage health and social care services to involve people in decisions that affect them.

**Our approach:** People's views come first - especially those who find it hardest to be heard. We champion what matters to you and work with others to find ideas that work. We are independent and committed to making the biggest difference to you.

You can review how we performed and how we report on what we have done by visiting our website.
