Spotlight on

Home & Company

Home & Company provide services in and around the Burgess Hill, Haywards Heath, and Worthing areas.

They provide home help to people who need some support to get the best out of life. Whether someone needs help with shopping, cooking, housework, laundry or administration they can help.

Our team come with their cars so we can also help with getting out & about to appointments, or simply companionship and a cuppa. We have a brilliant team of people and work hard to match every client carefully with the right person. Once you have been matched you see the same person each time and get to know each other well.

We aim to provide a one-stop shop and so also have a dedicated team of specialists who can offer building and maintenance, home decorating, gardening services, mobile foot care, hair and beauty and anything else you may need help with around the house.

We also have a fabulous live-in care team if you are needing more wrap-around support.
