NRS Healthcare Technology Enabled Care Services (TECS)

NRS Healthcare Technology Enabled Care Services (TECS) West Sussex are an award-winning provider of assistive technology.

They provide a wide variety of solutions to support people to live at home independently, for longer. They are a clinically led, person centric service who understands that TEC is not a one size fits all approach, and that each person is different.

They are a team of TEC experts with a variety of different skills and knowledge within the TEC industry. They pride themselves on high level customer service to both prescriber's and service users. They provide a full end-to-end service ensuring each solution and suggestion is catered to be the best support for that person and their family's needs.

They work in partnership with West Sussex County Council and the NHS to provide assistive technology to the residents of West Sussex, with the aim of supporting their independence and to stay at home for longer.

They provide both a funded service and private pay service.

For a referral, contact WSCC Adult Social Care to discuss referral and funding options.

For private payers, please look at their [website](#) or call the team on 01903 948 200.

NRS Healthcare provides a variety of services such as:

- Assessments for assistive technology.
- Installations
- Monitoring
- Maintenance and repairs
- Collections.

For help, advice, and information or to share your story

Healthwatch is your health and social care champion.

If you use GPs and hospitals, dentists, pharmacies, care homes or other support services, we want to hear about your experiences. We have the power to make sure NHS leaders and other decision makers listen to your feedback and improve standards of care. We also help people to find reliable and trustworthy information and advice

Last year, we helped nearly a million people like you to have your say and get the support you need.

If you are setting up or would like to share news of a similar project we would be interested to hear from you. Please contact Cheryl Berry, Community Partnership Lead: cheryl.berry@healthwatchwestsussex.co.uk
