

# Community Partnerships

Supporting and working with community groups and clubs to promote a deeper understanding of local health and care needs and experiences

## Spotlight on

## Sight Support Worthing

**Sight Support Worthing, a registered charity was founded in 1910 and is one of the oldest independent charities in Worthing.**

**Since 1910, they have evolved over the years but have remained committed to their purpose of supporting the wellbeing of people living with or experiencing sight loss and visual impairment.**

Although they are based in Worthing and primarily support local people, anyone with sight loss can sign up and access their services no matter where they live.

### **Sight Support Worthing offers:**

They have many accessible activities to suit a wide range of interests and abilities. Their tech advisors can help people navigate assistive apps and settings on phones, tablets, and computers.

They can also guide people with devices and software such as screen readers, voice recognition and more. They have a weekly drop in and offer free support by phone and face to face.

They also have a free specialist counselling service (funded by the National Lottery) for those living with visual impairment or experiencing sight loss that cannot be corrected by glasses. They can offer advice to anyone who has a visual impairment or their friends and family.

## For help, advice, and information or to share your story

**Healthwatch is your health and social care champion.**

If you use GPs and hospitals, dentists, pharmacies, care homes or other support services, we want to hear about your experiences. We have the power to make sure NHS leaders and other decision makers listen to your feedback and improve standards of care. We also help people to find reliable and trustworthy information and advice

**Last year, we helped nearly a million people like you to have your say and get the support you need.**

If you are setting up or would like to share news of a similar project we would be interested to hear from you. Please contact Cheryl Berry, Community Partnership Lead: [cheryl.berry@healthwatchwestsussex.co.uk](mailto:cheryl.berry@healthwatchwestsussex.co.uk)
