TERRY'S PLACE

Terry's Place

A unique community social care centre in Westhampnett, providing a warm, friendly, safe environment and stimulating activities for older people, their families and carers.

Are you a family member caring for an older relative in the Chichester area in need of a break for the day?

Or perhaps you and/or your family member would benefit from a day out, socialising with others?

They welcome all visitors, but particularly those in later life who feel they are ready for a little bit more social support, companionship, advice or reassurance.

Terry's Place experienced and professional care team and volunteers are all deeply passionate about their mission: 'to enrich lives, bring people together and share meaningful experiences'.

Terry's Place will bring a smile to your face, a tune in your heart, and help you to make the most of each moment. They want their visitors to feel happy, content, inspired, refreshed and nourished – emotionally and physically – and wanting to return!
